To whom it may concern

## LETTER OF REPRESENTATION

We, MAX MÜLLER Switzerland Ltd., confirm EDGE SOLUTIONS (called “reseller” hereafter) is an authorized reseller according to the terms below.

**Classification.** MAX MÜLLER has a standard classification system for resellers. According to our standard classification system, the reseller is a “preferred reseller”:

- \_\_\_ This authorizes the reseller to resell all products mentioned below (see “Product scope”), within the countries mentioned below (see “Geographical scope”)
- \_\_\_ The reseller receives privileged conditions for new parts and for spare parts
- \_\_\_ In addition, this entitles the reseller to receive privileged technical support and assistance to ensure the best possible customer service

**Geographical scope.** The reseller is authorized to serve India and Pakistan.

**Product scope.** The reseller is authorized to resell our full range, in particular the following products:

- \_\_\_ Light fittings for hazardous areas and for safe areas
- \_\_\_ Sight glasses and sight flow indicators (incl. accessories such as wipers)
- \_\_\_ Camera systems for hazardous and safe areas (for remote monitoring of processes)
- \_\_\_ Complete system solutions for remote monitoring of biogas plants and production processes

**Validity.** This authorization is valid until December 31, 2026.

We thank the reseller for their efforts and we are grateful to have them as our partners.

Yours faithfully,

  
Dr. Philipp MÜLLER  
Chief Executive Officer
